PO Box 164
Moonee Ponds, 3039
ph. (03) 9330 4808

Dear Sir / Madam,

Essendon Theatre Company is a local not for profit community based theatre company that has been running on the love and commitment of passionate theatre lovers and volunteers since 1976. However, this does not pay all our required bills. We are currently seeking business sponsorship for our 2010 season. Our aim is to seek financial or product placement support. If you feel your business is able to assist us then we'd love to hear from you. Here's a sample of the current packages we are offering to benefit both you and us;

Bronze Package Product donation to one or more shows plus \$50. Products could be used during the show or as an item in our raffle door prize (one drawn each performance night). For this you will receive;

- a certificate of appreciation for display in your business venue
- logo and name mention on the back page of the relevant production programs
- logo and name mention on ETC website for duration of the relevant production (usually a 3 month period)

Silver Package Possible product donation to one or more shows and / or \$200 (payable by June 2010). Products could be used during the show or as an item in our raffle door prize (one drawn each performance night). For this you will receive;

- a certificate of appreciation for display in your business venue
- logo and name mention on the back pages of TWO production programs of your choice
- logo and name mention on ETC website for duration of 2010
- two complimentary tickets to one of the productions for 2010 of your choice.

Gold Package Possible product donation to one or more shows and / or \$500 (payable by June 2010). Products could be used during the show or as an item in our raffle door prize (one drawn each performance night). For this you will receive;

- a certificate of appreciation for display in your business venue
- logo and name mention on back pages of ALL production programs, plus a display in foyer if you desire.
- logo and name mention on ETC website for the duration of 2010
- two complimentary tickets to all FOUR productions for 2010.

By helping ETC you will be contributing something worthwhile to the community, gaining possible tax deduction and keeping local theatre and entertainment alive in Essendon! We look forward to your potential support for our 2010 season. Any further queries or to register support can be directed to the Marketing and Publications Officer, Ms Natasha Boyd via phone 0413 188 513 or email info@bookbonding.com.au

Yours sincerely,

Ms Natasha Boyd
